

## Pollin x Modern Miracle Application Checklist

### Grant Overview

The Pollin x Modern Miracle IVF Grant Fund was created to expand our ability to provide financial assistance to Ontario residents who require IVF treatment to build their families. We provide grants to successful Pollin Fertility patient applicants which are **paid directly to Pollin Fertility**.

The application is a **digital application**. Please complete all sections and forms of the application to be considered for a grant. Incomplete applications will not be accepted.

Grants from the Pollin X Modern Miracle IVF Grant Fund are in the amount of \$8,000 and will not cover 100% of the cost of your treatment. For every grant awarded, Pollin will also contribute \$2,000 in additional funds, bringing the **total grant amount to \$10,000**.

You will be required to contribute to your treatment as well. These are one-time grants and are used to offset the cost of one IVF treatment cycle.

Before applying, please ensure you meet **ALL** of the following requirements:

1. Both the applicant and co-applicant (if applicable) must be a **Canadian citizen or permanent resident AND a current resident in the province of Ontario**
2. Both the applicant and co-applicant (if applicable) must have **valid Ontario Health Care Plan** cards (OHIP)
3. You must already be a **Pollin patient** and have **completed a consultation and fertility assessment**
4. Combined (if applicable) annual **gross household income of <\$150,000**

Applications are reviewed as quickly as possible. While we aim to process all applications in a timely manner, it may take **up to 8 weeks** to complete your application review. You will be contacted via email with respect to the outcome of your application.
